Ahoy Ye Landlubbers! We, The World Famous MI would like to invite you to ANOTHER BLOODY MOTHERFUCKER OF ALL CONVENTIONS. Aaarr cons arrr MONSTERCONS! This be our 5th INTERNATIONAL convention. We be celebratin' the 32nd anniversary of aaaRrrHPS and the 26th Anniversary of Shock Treatment.

At FRANKIE GOES TO HOLLYWOOD in 2001, we invented the extended convention. It be the first convention that went 4 days instead of 2. It kicked major booty...as you can see on arrr website. In 2005 MI Hosted the 30th Anniversary. This event was under attack by the bilge-sucking residents of Davy Jones' Locker, attorneys for Cirque du Soleil, because of the name. They threatened to sue but backed down because of the awesome power of Rocky Horror. Once again we be planning FOUR DAYS OF ADDLED DEBAUCHERY!!! We will give you an Overload of aaaRrrHPS but also a chance to put on yer dancing shoes and splice the mainbrace. If yer work or ship don't permit the entire event, come anyway. We be confining all RHPS/ST specific events to Friday and Saturday.

THURSDAY: Club Rocky! Registration and Reception in the Grand Salon. Live bands, DJ, Dancing, cash barrrr, food and munchies available. Join us for grog, grub and Shivering of Timbers.

FRIDAY Queen's Salon: Grub and Merchants and Carpetbaggers and (Is it SOUP yet?) Special Original Unique Performances (YES...it is finally SOUP) by casts from around the country that took the time to get off their ass and do something entertaining to showcase the talent from their home theater. This is where ye put yerself on the Rocky (Treasure?) Map so summon all yer creativity and design a performance of ten minutes or less that bears yer own unique stamp. See website for guidelines, parameters, staging info, light and sound specs, CD submission guidelines etc. ALSO The Third occasional DAVID AWARDS going to the best of the worst among us for Exemplary Accomplishment in arbitrary fields chosen by the host cast and awarded by community vote (in some cases) and Committee Proclamation in others. Remember BEST ASS? MOST FUCKABLE? BEST Sci-Fi Horror Musical DOCUMENTARY? MOST ANAL? Well expect more of the same...but not the same.....ayyyy.

FRIDAY AT MIDNIGHT: Shock Treatment with live cast. **AFTERPARTY** in the Royal Theater to listen to music and hang out. When ye wake up it be

SATURDAY JULY 28: Queen's Salon. Visit the merchants, hang out with your buds, general announcements, costume prejudging and then we break for grub.
